Getting Here

A-Basin is just 68 miles west of Denver. Take I-70 through the Eisenhower Tunnel to Exit 205 (Silverthorne), then go east on Hwy 6. (In good weather, Loveland Pass, exit 216, is a scenic shortcut.) Visit COtrip.org or call 511 for travel times and road closures.

Camara Fhotography

apahoe Basin ski area is located on lational Forest System land and is under ermit from the Forest Service, USDA.

A Legend 70 years in the making

DECEMBER 1946 Corporation of Arapahoe Basin was formed by Lawrence "Larry" A Jump, Frederick "Sandy" Schauffler, Max Dercum 1947-1948 Richard "Dick" Durrance

1953-1954

For detailed information on Mountain Safety:

Observe "Your Responsibility Code" listed below:

• People ahead of you have the right of way.

You must not stop where you obstruct a trail,

Keep off closed trails and out of closed areas.

· Whenever starting downhill or merging into a trail,

· Always use devices to help prevent runaway equipment.

• Prior to using any lift, you must have the knowledge and

It is your responsibility to avoid them.

· Observe all posted signs and warnings.

ability to load, ride and unload safely.

or are not visible from above.

look uphill and yield to others.

• Ask any staff member for assistance.

• Call us at: 888 ARAPAHOE

or objects.

Arapahoe Basin values the safety of our skiers and riders. Please read

the following information carefully. Skiing and riding are adventurous and

exhilarating outdoor recreational activities. Natural and man-made obstacles

are a part of this aloine experience. Collisions with these objects can result

in serious or fatal injury. Ski and ride with caution and in control. Arapahoe

While skiing or riding you may encounter rocks and trees, changing visibility

and snow conditions. Be aware of snow cats, snowmobiles and snowmaking

HEADS UP-KNOW THE CODE, IT'S YOUR RESPONSIBILITY

Arapahoe Basin is committed to promoting skier and rider safety. Be aware

that there are elements of risk in skiing and snowboarding that common

sense and personal awareness can help reduce. Know your ability level

· Always stay in control and be able to stop or avoid other people

BE ALERT; SKI AND RIDE ON DESIGNATED OPEN TRAILS ONLY.

The Colorado Ski Safety Act recognizes inherent dangers and risks of the sport. Under the Act, any person using the facilities of a ski area

WARNING

Under Colorado law, a skier assumes the risk of any injury to person or property resulting from any of the inherent dangers and risks of skiing and may not recover from any ski area operator for any injury resulting from any of the inherent dangers and risks of skiing, including: changing weather conditions; existing and changing snow conditions; bare spots; rocks; stumps; trees; collisions with natural objects, man-made objects, or other skiers; variations in terrain; and the failure of skiers to ski within their own abilities.

The Ski Safety Act was amended in 2004 to include **CLIFFS, EXTREME** TERRAIN, JUMPS AND FREESTYLE TERRAIN as inherent dangers and risks of the sport. **EXTREME TERRAIN** contains cliffs, very steep slopes, as well as rocks and other hazards. Skiing or boarding Extreme Terrain is for **EXPERTS** ONLY. Extreme terrain can be found on Pallavicini, North Glades, Montezuma Bowl, and the East Wall, including: cliffs and areas steeper than 50 degrees.

Snowcats, snowmobiles and snowmaking may be encountered at any time.

Certain areas (indicated on the map in yellow) are designated as **SLOW ZONES**.

Please observe the posted slow areas by maintaining a speed no faster than the general flow of traffic. Space and speed are especially important in these areas. Fast and aggressive skiing will not be tolerated.

TERRAIN PARKS—FREESTYLE TERRAIN

These areas are designated with an orange oval and may contain jumps, hits, ramps, banks, fun boxes, jibs, rails, half pipes, quarter pipes, snowcross, bump terrain and other constructed or natural terrain features. Prior to using Freestyle Terrain, you are responsible for familiarizing yourself with Freestyle Terrain and obeying all instructions, warnings and signs. Freestyle skills require maintaining control on the ground and in the air. Use of Freestyle Terrain exposes you to the risk of serious injury or death. Inverted aerials are not recommended. You assume all risks.

PARK SMART

START SMALL—Work your way up. Build your skills.

MAKE A PLAN—Every feature. Every time.

ALWAYS LOOK—Before you drop.

RESPECT—The features and other users. TAKE IT EASY—Know your limits. Land on your feet.

LIFT SAFETY & INFORMATION

GRIZZLY PEAK

13,427'

BLACK MOUNTAIN

Under Colorado law, you cannot board a lift unless you have sufficient physical dexterity, ability and knowledge to negotiate or to use such lift safely, or until you have asked for and received information sufficient to enable you to use the lift safely. You may not use a lift or any ski trail when under the influence of drugs or alcohol.

ASK FOR HELP IF YOU NEED IT.

OR SKI TRAIL IS PROHIBITED.

- REMOVE BACKPACKS BEFORE LOADING.
- NEVER JUMP FROM A LIFT.
- ASK ATTENDANT FOR HELP WITH CHILDREN. · CARRYING A CHILD IN A PACK ON ANY LIFT

LIFT TICKETS & PASSES

Those skiers found misusing lift tickets, transferring lift tickets. or attempting to gain lift access without lift tickets may be subject to arrest and criminal prosecution.

UPHILL ACCESS

USE IS ALLOWED WITH A FREE UPHILL ACCESS PASS. Visit our website for complete uphill access information.

Mountain users can help preserve this opportunity by following these

- You are considered a skier under the Colorado Skier Safety Act and should know Your Responsibility Code.
- The mountain may be closed to uphill access when avalanche control, snowmaking, race training, or other special activities are taking place.
- Entering closed terrain is prohibited. It is the user's responsibility
- to know what is open or closed. • Dogs must be under control at all times. No dogs are allowed
- on the mountain during operating hours.
- Visit our website for complete uphill access information.
- SKI AREA BOUNDARY
 - Skiing beyond the ski area boundary is not recommended. Avalanche danger and other hazards exist.
 - Areas beyond the ski area boundary are unpatrolled and unmaintained.
- Pursuant to the Colorado Ski Safety Act, the ski area assumes no responsibility for the safety and welfare of skiers going beyond the ski area boundary. Skiers are solely responsible for their own safety beyond this boundary.

 Access to public lands beyond the ski area boundaries exists through U.S. Forest Service Backcountry Access Points. Rescue in the backcountry is a responsibility of the Summit County Sheriff's Office. · Entering or exiting the ski area boundary at locations other than the

Backcountry Access Point is illegal and will be fined up to \$1,000.

GRAYS PEAK

14,267

LENAWEE MOUNTAIN 13,204'

BACKCOUNTRY WARNING

Pursuant to the Colorado Ski Safety Act, the ski area assumes no responsibility for skiers going beyond the ski area boundary. To access the backcountry, use designated backcountry access points only. Areas beyond the ski area boundary are not patrolled or maintained. Avalanches, unmarked obstacles and other natural hazards exist. Rescue in the backcountry, if available, is the responsibility of the Summit County Sheriff. It will be costly and time consuming.

EAST WALL, THE NORTH POLE AND ZUMA CORNICE THESE AREAS HAVE RESTRICTED ACCESS GATES AND WILL OPEN AND CLOSE AS SNOW AND WEATHER CONDITIONS PERMIT. PLEASE OBSERVE ALL POSTED SIGNS.

The North Pole and the Upper East Wall (above the traverse) are accessed by hiking only. Please hike only in designated staircases and obey all signs. RESCUE FROM NORTH POLE AND UPPER EAST WALL IS DIFFICULT AND TIME CONSUMING.

Please ski responsibly and do not ski alone.

AVALANCHE TERRAIN

- You may encounter
- Avalanches
- Changing Weather
- Changing Snow Conditions

Avalanche terrain exists in the following areas:

- SKI AT YOUR OWN RISK.
- East Wall
- North Pole
- Zuma Cornice
- · Pallavicini and North Glade

Enter through open marked gates only. Contact ski patrol for more information.
