NJ STATE LAW

LIDSONKIDS.ORG
a helmet - it's a smart idea

Requires all ski & snowboard participants age 17 & under to wear a securely fitted ski helmet while on the trails and lifts. It is the responsibility of the parent, legal guardian or supervising adult to ensure that helmets are provided and worn. Mountain Creek recommends a securely fitted helmet for ALL skiers & snowboarders regardless of age. Skiers and snowboarders are encouraged to educate themselves on the benefits and limitations of helmet use.

KNOW THE CODE. IT'S YOUR RESPONSIBILITY.

Skiing can be enjoyed in many ways. Always show courtesy to others and be aware that there are elements of risk in skiing that common sense and personal awareness can help reduce. Observe the Responsibility Code listed on the map and share with other skiers the responsibility for a great skiing experience. Under New Jersey law, N.J.S.A. 5:13-7, an injured party must provide the ski area operator with a written report of all the details of an accident, including name, address, description of incident, location, alleged cause, others involved and witnesses within 90 days of the incident. An oral report to the ski area operator or Ski Patrol does not satisfy the requirements of N.J.S.A. 5:13-7. The failure to provide this writing to the ski area operator as soon as possible, but not more than 90 days from the date of the accident will prohibit the injured party from bringing a lawsuit against the ski area operator. Any and all disputes against Mountain Creek arising from participation in the sport of skiing shall be **GOVERNED BY THE LAWS OF THE STATE OF NEW JERSEY** and the **EXCLUSIVE JURISDICTION** thereof will be in the state or federal courts of the **STATE OF NEW JERSEY** and venue in the state Court shall be **SUSSEX COUNTY, NJ**

New Jersey Skiing: Operating a ski resort in New Jersey requires the use of snowmobiles, grooming machines, and snowmaking equipment. **STAY IN CONTROL AND AWAY FROM THE EDGES OF TRAILS.** Snowmaking and other equipment can be located off-trail, on the edges and sides of trails and sometimes even in designated places on trail. **CONTACT WITH SNOWMAKING EQUIPMENT, SNOWMOBILES OR GROOMING MACHINES MAY RESULT IN SERIOUS INJURY OR DEATH. MAINTAIN A SAFE DISTANCE AT ALL TIMES AWAY FROM THE EDGE OF TRAILS, OFF-TRAIL AREAS, SNOWMAKING EQUIPMENT, LIGHTING OR GROOMING MACHINES.** Fencing and/or ribbon/tape placed around the mountain is intended to assist patrons in the identifying boundaries and not necessarily designed to physically restrain, retain, or contain patrons.
